

# Lyrics to Silk Chiffon

by MUNA Featuring Phoebe Bridgers

Track 1 on MUNA

[Verse 1: MUNA]

Sun down and I'm feeling lifted  
Downtown, cherry lipstick

Watch her silk dress dancing in the wind  
Watch it brush against her skin  
Makes me wanna try her on

[Pre-Chorus: MUNA]

Like, life's so fun, life's so fun

Got my mini skirt and my rollerblades on  
Bag on my side 'cause I'm out 'til dawn  
Keeping it light like silk chiffon

Life's so fun, life's so fun

Don't need to worry about no one  
She said that I got her if I want  
She's so soft like silk chiffon

[Chorus: MUNA]

Silk chiffon  
That's how it feels, oh, when she's on me  
Silk chiffon  
That's how it feels, oh, when she's on me  
(Oh, when she's on)

[Verse 2: Phoebe Bridgers]

I'm high and I'm feeling anxious  
Inside of the CVS

When she turns 'round halfway down the aisle  
With that 'you're on camera' smile

Like she wants to try me on

[Pre-Chorus: Phoebe Bridgers & MUNA]  
And life's so fun, life's so fun

Got my mini skirt and my rollerblades on  
Bag on my side 'cause I'm out 'til dawn  
Keeping it light like silk chiffon  
Life's so fun, life's so fun

Don't need to worry about no one  
She said that I got her if I want  
She's so soft like silk chiffon

[Chorus: MUNA & Phoebe Bridgers]  
Silk chiffon  
That's how it feels, oh, when she's on me  
Silk chiffon  
That's how it feels, oh, when she's on me

[Bridge: MUNA & Phoebe Bridgers]  
If it feels good to me, it feels good to me  
Oo, why wouldn't it be? Oo, why wouldn't it be?  
If it feels good to me, it feels good to me  
Oo, why wouldn't it be? Oo, why wouldn't it be?  
She's so soft like silk chiffon

[Chorus: MUNA & Phoebe Bridgers]  
Silk chiffon  
That's how it feels, oh, when she's on me  
Silk chiffon  
That's how it feels, oh, when she's on me

[Outro: MUNA]  
Oh, when she's on me
